Advice Letter No. 244-E

(U 913-E)

California Public Utilities Commission

Attention: Energy Division
Advice Letter Filings Room 4005

Golden State Water Company ("GSWC") hereby transmits for filing an original and four conformed copies of the following tariff sheets applicable to its Bear Valley Electric Service ("BVES") district:

<u>CPUC Sheet No.</u>	<u>Title of Sheet</u>	<u>Canceling CPUC Sheet No.</u>
Original No. 1833-E	Preliminary Statements Part W	
Revised No. 1834-E	Table of Contents Page 1 of 2	Revised No. 1832-E

Subject: Establishment of the Fire Hazard Prevention Memorandum Account, pursuant to Decision No. 09-08-029

Purpose

BVES is seeking approval to establish a new interest-bearing memorandum account to record costs related to fire safety and to implement fire prevention corrective action measures in extreme and very high fire threat areas. The memorandum account will be known as BVES' Fire Hazard Prevention Memorandum Account ("FHPMA"). This advice letter filing is in compliance with Ordering Paragraph No. 7 in California Public Utilities Commission ("Commission") Decision ("D.") 09-08-029, which states,

7. We direct each cost-of-service regulated utility to file an advice letter establishing a memorandum account and to record its costs related to implementing these measures in a memorandum account to avoid retroactive ratemaking.

This advice filing modifies BVES' Preliminary Statement to add, Part W, Fire Hazard Prevention Memorandum Account to record costs related to fire safety and to implement fire prevention corrective action measures in extreme and very high fire threat areas.

BVES will record all fire hazard prevention costs related to activities necessary to implement the requirements of D.09-08-029 that have not been previously authorized for recovery in BVES' General Rate Case or other regulatory proceeding.

Background

The Commission initiated Order Instituting Rulemaking (R.) 08-11-005 on November 13, 2008, to consider revising and clarifying its regulations designed to protect the public from potential hazards, including fires, which may be caused by electric transmission, distribution lines, or communication infrastructure providers' facilities in proximity to the electric overhead transmission or distribution lines.

Initially, the scope of R.08-11-005 included six areas for consideration:

1. Immediate reporting of fire-related incidents and full cooperation with Commission staff;
2. Applying General Order ("GO") 165 or similar maintenance and inspection requirements to all electric transmission and communication infrastructure providers' facilities located on poles owned by publicly-owned utilities;
3. Overloading of utility poles;
4. Prompt reporting and resolution of hazards and violations that one pole occupant may observe in another pole occupant's facilities;
5. Vegetation management in high risk fire areas;
6. Mitigation of fire hazards in high speed wind areas.

D.09-08-029 primarily addresses measures to reduce fire hazards in California before the 2009 fall fire season. Additionally, this Decision found that cost-of service regulated utilities are entitled to recover reasonable costs prudently incurred in compliance with D.09-08-029. These costs (not authorized as part of BVES' GRC or any other proceeding) may include:

1. Expenses associated with vegetation management activities to reduce risk of fires;
2. Increased expenses related to the maintenance program, inspection, and patrolling requirements;
3. Expenses incurred in designing, constructing, and maintaining facilities to mitigate fire hazards in high speed wind areas;
4. Other expenses incurred implementing D.09-08-029.

On January 6, 2009, the Assigned Commissioner to R.08-11-005 split this proceeding into two phases. R.08-11-005 will remain open to address disposition of the FHPMA and any other remaining issues in Phase 2.

There is no cost information required for this filing.

The FHPMA is an Interest Bearing Memorandum Account

The FHPMA shall be an interest bearing memorandum account. The monthly Interest Rate shall be one-twelfth of the Federal Reserve three-month Commercial Paper Rate – Non-Financial, from Federal Reserve Statistical Release H.15 (expressed as an annual rate). If in any month a non-financial rate is not published, BVES shall use the Federal Reserve three-month Commercial Paper Rate – Financial.

Memorandum Account Treatment

GSWC is aware that a memorandum account is not a guarantee of eventual recovery of expenses, nor is it carried as a regular account under the uniform system of accounts for water utilities. It is carried "off the books", as a memorandum account. Further, it is also known that Commission policy on memorandum account treatment has always been that the burden of proof of the reasonableness of expenses charged to the account is the responsibility of the utility requesting reimbursement of such expenses.

Existing Rates

This advice letter does not change any existing rate, propose any new rate or charge, nor causes the withdrawal of service, or conflict with any other schedule or rule.

Tier Designation and Effective Date

In compliance with Ordering Paragraph No. 7 in D.09-08-029, this advice letter is submitted with a Tier 1 designation and BVES requests that the FHPMA be made effective on August 20, 2009, the effective date of D.09-08-029.

Notice and Protests

A copy of this filing has been served on the utilities and interested parties shown on the attached list, including interested parties to service list R.08-11-005 by either providing them a copy electronically or by mailing them a copy hereof, properly stamped and addressed.

A protest is a document objecting to the granting in whole or in part of the authority sought in this advice letter.

A response is a document that does not object to the authority sought, but nevertheless presents information that the party tendering the response believes would be useful to the CPUC in acting on the request.

A protest must be mailed within 20 days of the date the CPUC accepts the advice letter for filing. The Calendar is available on the CPUC's website at www.cpuc.ca.gov.

A protest must state the facts constituting the grounds for the protest, the effect that approval of the advice letter might have on the protestant, and the reasons the protestant believes the advice letter, or a part of it, is not justified. If the protest requests an evidentiary hearing, the protest must state the facts the protestant would present at an evidentiary hearing to support its request for whole or partial denial of the advice letter. The utility must respond to a protest with five days.

All protests and responses should be sent to:

California Public Utilities Commission, Energy Division

ATTN: Tariff Unit

505 Van Ness Avenue

San Francisco, CA 94102

E-mail: jnj@cpuc.ca.gov or Maria Salinas (mas@cpuc.ca.gov)

Copies should also be mailed to the attention of the Director, Energy Division, Room 4004 (same address above).

Copies of any such protests should be sent to this utility at:

Golden State Water Company

ATTN: Ronald Moore

630 East Foothill Blvd.

San Dimas, CA 91773

Fax: 909-394-7427

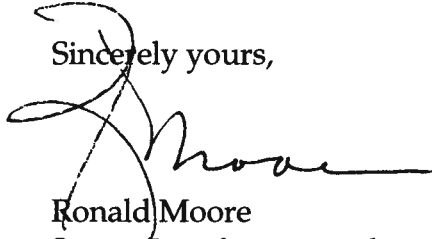

E-mail: rkmoore@gswater.com

If you have not received a reply to your protest within 10 business days, contact Ronald Moore at 909-394-3600 ext. 682.

No individuals or utilities have requested notification of filing of tariffs. In accordance with General Order 96-B, a copy of this advice letter is being furnished to the entities listed on the attached service list.

In accordance with Public Utilities Code Section 491, notice to the public is hereby given by filing and keeping the advice letter filing open for public inspection at Bear Valley Electric Service and Golden State Water Company Headquarters.

Sincerely yours,

A handwritten signature in black ink, appearing to read "Ronald Moore". The signature is fluid and cursive, with a large initial "R" and "M".

PRELIMINARY STATEMENTS

(Continued)

W. FIRE HAZARD PREVENTION MEMORANDUM ACCOUNT

(N)

Golden State Water Company ("GSWC") shall maintain the Fire Hazard Prevention Memorandum Account ("FHPMA") for Bear Valley Electric Service to record all fire hazard prevention costs related to activities necessary to implement the requirements of D.09-08-029 that have not been previously authorized for recovery in BVES' General Rate Case or other regulatory proceeding.

1. PURPOSE

The purpose of the FHPMA is to track the incremental costs incurred related to fire hazard prevention in compliance with California Public Utilities Commission ("Commission") Decision ("D") 09-08-029.

These costs may include the following expenses:

- (1) Vegetation management activities to reduce risk of fire;
- (2) Cost of vegetation maintenance program, inspection, and patrolling requirements;
- (3) Costs associated with designing, constructing, and maintaining facilities to mitigate fire hazards in high wind speed areas;
- (4) Other costs as required in order to implement D. 09-08-029

2. APPLICABILITY

The FHPMA applies to all customer classes, except for those specifically excluded by the Commission.

3. RATES

The FHPMA does not have a rate component.

4. ACCOUNTING PROCEDURES

GSWC shall maintain the FHPMA by making entries at the end of each month as follows:

- a. A debit entry shall be made to the FHPMA at the end of each month to record the incremental costs identified in Section 1 above.
- b. Interest shall accrue to the FHPMA on a monthly basis by applying a rate equal to one-twelfth of the 3-month Commercial Paper Rate, as reported in the Federal Reserve Statistical Release, to the average of the beginning-of-month and the end-of-month balances.

5. EFFECTIVE DATE

The FHPMA is effective on the effective date of Decision No. 09-08-029, which is August 20, 2009.

6. DISPOSITION

The disposition of the FHPMA balance will be determined in Phase 2 of Rulemaking 08-11-005. (N)

CERTIFICATE OF SERVICE

I hereby certify that I am an employee of Golden State Water Company and on this 10th day of September 2010, I served each party on the CPUC website listed in Docket No. R.08-11-005 with a copy of Golden State Water Company's Advice Letter 244-E via electronic mail. U. S. Mail will be used if electronic service cannot be effectuated.

Executed on September 10, 2010, at San Dimas, California.

A handwritten signature in black ink, appearing to read 'R. Moore', is written over a horizontal line. The signature is stylized and cursive.
